Subject: coin attribution services

Thurston, W. P.

[Melstone, MT]

January 22, 1924

January 22nd, 1924

Mr. W. P. Thurston
Melstone, Mont.

Dear Sir:

Replying to your communication of January 15th, as we are a Museum we have no commercial dependability!

Such rule, we make no charge for our services. Being at this time extremely busy and having hundreds of coins awaiting attribution for various people, we would advise that you go elsewhere for the information you desire.

Yours truly,

Curator

HW/E
